The applicant filed an amendment after final rejection under 37 C.F.R. 1.116 on 30 January 2006, which placed this application in condition for allowance. Although Examiner Quach has verbally indicated by voice mail that the appropriate steps have been taken for issuance of the Notice of Allowance, as of today, 2 March 2006, the six-month statutory time period for reply to the Final Office Action mailed on 2 September 2005 expires, and a Notice of Allowance has not yet issued.

Thus, in order to keep the application pending past the six-month date of the Final Office Action, and to avoid having to file a petition to revive the application, the applicant is filing a Notice of Appeal. It is recognized that the Notice of Appeal will be rendered moot once the Notice of Allowance, in fact, issues.
